The **Yough** River Trail Council needs **YOU**. We're an **ALL VOLUNTEER GROUP** that maintains 23 miles of the Great Allegheny Passage in Fayette County - 11 miles upstream from Connellsville and 11 miles downstream to Layton and 2.5 miles of the Sheepskin Trail from Wheeler to Dunbar.

Maintaining the trail costs a bundle each year! Costs involve dust for resurfacing, fuel for mowing grass, cutting trees and brush, getting supplies by truck, parts and regular supplies for our tractors and equipment, supplies for toilets and visitors center, garbage bags, dumpster emptying, electricity, water, cleaning supplies, paint and brushes, tools and equipment replacement, mailings and fund raising costs.

Fundraisers supply a lot but we depend on our membership dues and donations to get us through the "lean times" like winter and early spring when funds are low. Please join us in keeping our section of the trails the best around.
